MEDICAL CENTER CLINIC WELCOMES CASEY MICKLER, MD, TO THE EYE INSTITUTE

PENSACOLA, FL, November 1, 2013: It comes with great excitement that Medical Center Clinic announces the addition of Casey Mickler, MD, to the eye Institute.

Dr. Mickler received his undergraduate degree from the University of Florida in Gainesville, Florida, and attended Florida Atlantic University for his Masters of Science degree. He then earned his medical degree from Saint Louis University, School of Medicine in Saint Louis, Missouri, and completed his residency in Ophthalmology at the University of Florida. He received fellowship training in Pediatric Ophthalmology and Adult Strabismus at the Medical University of South Carolina.

Dr. Mickler comes to Medical Center Clinic from Walter Reed National Military Medical Center, in Bethesda, MD, where he served as Chief of Pediatric Ophthalmology and Adult Strabismus. Since 2011, Dr. Mickler served as a Major in The Medical Corps, of the United States Army. He is board certified in ophthalmology.

In 2012, he was awarded The Army Service Ribbon, Global War on Terror Service Ribbon, and National Defense Service Medal. Dr. Casey Mickler is an active member of the American Association for Pediatric Ophthalmology and Strabismus, and the American Academy of Ophthalmology. He will be treating patients in the specialties of Pediatric Ophthalmology, Adult Strabismus, and Comprehensive Ophthalmology.

“The eye Institute is excited to welcome Dr. Mickler and pleased to have attracted such a highly qualified medical professional to our team,” states Dorothy Cotita, Associate Vice President of Corporate Marketing & Strategies. For more information or to schedule an appointment with Dr. Mickler, please contact the eye Institute at 850.474.8436.
